

4th Annual KSP Conference

PITCH COMPETITION APPLICATION APPLICATION

KINGSTON
SYRACUSE
PATHWAY

The 4th Annual Kingston Syracuse Pathway Conference on Health Innovation will be held March 27-28, 2025 in Skaneateles, NY. Included in the conference is a pitch competition held for Canadian- and US-based early stage life and health sciences start-up teams. **Five teams will be selected** from applications received to participate. The winning team will receive a **\$5,000** pitch competition award.

To be eligible, you must be early stage, have not received over \$1,000,000 in funding and you agree to participate in person at the pitch portion of the conference on March 27.

Pitch teams will have 5 minutes to pitch and respond to judge questions.
